Rocanville School would like to send a huge **THANK YOU** to the following businesses for supporting our Christmas luncheon:

AFAB/Metal Mart, Borderland Co-op, Andrew Agencies, Apollo Restaurant, Bock & Company Law Office, Conexus, Cornucopia Gardens, Donna Jack's, Easton's Clear Water, Enlighten Hair & Tanning, Gapland Rollers, Goodman Steel, Grainger's Excavating, Kentrax Transport, MR Challice, New Fortune Inn, Potash Corp, Rocanville Community Thrift Store, Rocanville SCC, Super Thrifty, Sharpe's Soil Services, TD Canada Trust, Universe Satellite, Wilson Construction

We are very proud of our students and staff and many volunteers that worked together to make this event possible. Under the direction of Mrs. Kingdon, her Food Studies 10 Class did the majority of the food preparations during their class time. (They were so excited & proud to do it, they even went to class early!) It was so nice to see our new Home-EC kitchen buzzing with activity after school on the days leading up to our lunch. The SCC organized getting tables here and were more than happy to help out wherever they could throughout the day. There were many classes involved in preparing for this luncheon. Grade 12's set up and arranged tables and then while the grade 1's and 2's did some decorating on the table covers, the grade 4's set the tables. Grade 6's made beautiful table centerpieces during Arts Ed class. Our SRC & Peer Facilitator groups made it easy for our school families to interact by providing games & activities at the table. Thank you to the grade 8's and 9's who cleaned up afterward. Last but not least, thank you to the parent volunteers that came out to help before, during, and after our luncheon.

We believe this event is important to our school. It helps us to realize that we are a family here too. ☺

Ms. Lowe & Mrs. Budd

## **WILL You?**

### **Invest in Yourself with a Will**

If there's one part of financial planning that gets shortchanged more often than not, it's preparing a will. After all, who wants to comb through some tedious financial matters when there's a big game on TV or even laundry to do? Just about anything can seem more appealing than planning your will.

A will is an important estate planning document that no one over the age of 18 should be without. It's an even greater priority for parents with dependent children.

So, before you turn on the game, here's one simple question to answer: which of the following two scenarios do you prefer?

#### *What can happen with a Will*

- your estate can be divided up as you wish
- you can control your legacy
- you can help prevent legal disputes over the division of your estate, which can be time-consuming and costly to those you leave behind
- your children, other dependents and charities can be taken care of

#### *What can happen without a Will*

- your wishes may not be followed, even if they are known
- your estate may be distributed according to laws in your province
- distribution of your assets to your heirs may be slower and more expensive
- higher taxes may reduce your estate's value
- family heirlooms may be sold, rather than passed on to succeeding generations
- your children may obtain their share upon reaching the age of majority, whether or not they are able to handle the responsibility
- your spouse may receive less than you had planned
- the courts will appoint someone you may not otherwise have chosen to administer your estate
- family members may contest the distribution of your estate
