Returning Officer

COMPLAINTS

The town has observed that a number of gardens are in a state of neglect, this does detract from the beauty of our town and could affect the retail value of adjacent properties should they wish to sell. We ask that everyone adopts a basic maintenance for their property, by keeping grass mowed and weeds trimmed.

Thank You

* FLUSHING WATER LINES *

It is planned to continue water line flushing this month, please watch for emails and the town notice board for dates and times.

PAYMENTS

Keep forgetting to pay your water bill on time? Consider enrolling in our preauthorized debit program. We just need your autograph and banking information. You can pay your water bill quarterly or monthly. Funds are withdrawn on the 3rd last banking day of the month. Avoid penalties and enroll in the preauthorized debit program!

Please call the office at 306 645 2022 for more information.

Drinking Water Quality and Compliance
Annual Notice to Consumers
 Town of Rocanville

Introduction

The Water Security Agency and the Ministry of Environment requires that at least once each year waterworks owners provide notification to consumers of the quality of water produced and supplied as well as information on the performance of the waterworks in submitting samples as required by a Minister's Order or Permit to Operate a waterworks. The following is a summary of the Town of Rocanville's water quality and sample submission compliance record for the January 1 – December 31, 2015 time period. This report was completed on August 25th, 2016. Readers should refer to Water Security Agency's Municipal Drinking Water Quality Monitoring Guidelines, November 2002, EPB 202 for more information on minimum sample submission requirements and the meaning of type of sample. Permit requirements for a specific waterworks may require more sampling than outlined in the department's monitoring guidelines. If consumers need more information on the nature and significance of specific water tests, for example, "what is the significance of Selenium in a water supply", more detailed information is available from: http://www.hc-sc.gc.ca/ewh-semt/pubs/water-eau/index_e.html.

Chemical – Health Category

All waterworks serving less than 5000 persons are required to submit water samples for SE's Chemical Health category once every 2 years. The Chemical Health category includes analysis for arsenic, barium, boron, cadmium, chromium, fluoride, lead, nitrate, selenium and uranium.

The last sample for Chemical Health analysis was submitted on August 25, 2014. Sample results indicated that the provincial drinking water quality standards were not exceeded.

The last sample for General Chemical analysis was required on 2014 and submitted on August 25, 2014. Sample results indicated that there were no exceedences of the provincial aesthetic objectives for the General Chemical category.

More information on water quality and sample submission performance may be obtained from:

THANK YOU! THANK YOU!

To all the **children** and **volunteers** who came to **VBS**, Vacation Bible School, the last full week of August.

46 children registered and attended when they could over the 5 days.

We had fun, made new friends and hunted for heavenly treasures.

We enjoyed the cookies and muffins, the ladies provided.

Thank you to Pastor Paul and Lynne Jopp from Hope Congregational for assisting.

Thank you to Tannis Kelly from St. Thomas Anglican for helping with registrations.

The children raised \$283 in their Boys against Girls Donation Challenge for the Dream Centre in Yorkton. Families in distress will appreciate this offering.

Big thank you to Pastor Doug & Naomi Lancaster for all the leg work done to get this endeavour off the ground!

This was a success!

Big thank you for the prayer support.

Congratulations!!

Rocanville Recreation would like to congratulate Hailey Burke and Tristen Miller on their successful participation in the Saskatchewan Summer Games representing Rocanville on Team SouthEast!

"Golfing in the Summer Games was something that I will never forget. I cannot thank anyone else but my best friend to push me to try out for the Games and I'm so glad I did. I met a lot of new people who play golf with the same mind-set as I do; just going out and having fun. I loved meeting people in the athletes village and became closer with a few people that I already knew. Our tournament was played using the Stableford scoring system, where we got points based on if we got an eagle, birdie or par, and no points if we scored higher than seven. I could not have been happier to end the games with a silver medal for our southeast junior girls golf team."

Hallie Burke

"Running the 200m and Sprint Medley races in the Summer Games was a once in a lifetime experience. It showed me a new level of competition that pushed me to persevere. I met lots of athletes who share the same passion as I. It was fun watching so many talented young people

competing in their interest. Experiencing the Summer Games with one of my best friends was the cherry on top of such a memorable time!"

Rocanville Summer Program

The Kids of Rocanville were so lucky to have access to such a great program to keep them busy throughout the summer! Thank you to the Community Initiatives Fund, Saskatchewan Lotteries and Rocanville Recreation Board for sponsoring the afterschool & Summer Program. The program was led and created by Ivy Decorby. Ivy worked many hours, along with careful thought and consideration into making sure the program was not only fun but also educational and included physical activity. Olivia Kelly was also employed at the program and added her own special touches, as well as her musical background to the daily activities. The kids learned some food safety rules, cooking skills and customer service when they hosted two business lunch fundraisers. They also realized that their hard work at these fundraisers enabled them to have an very fun summer program and we want to thank all that supported these fundraisers buy purchasing or sponsoring! We had 100 orders for lunch and 92 orders for fruit pizza! We had monetary and supply donations from PCS, Super Thrifty, The Thrift Store and many members of the community. There are way too many names to list but we would like to send out a sincere thank you! The program also had tremendous support from the community and the kids sure lit up with pride when they saw your enthusiasm and interest in them. Just as important as financial support, there were many community members that volunteered time to take the kids on tours or host them for field trips.

Thank you so much! We also noticed these little people bring a lot of joy to the community members when they are out and about doing these activities. We appreciate your support.

Terry Fox Run

The Terry Fox Run is a non-competitive event where people get together as individuals, families, and groups to raise money for cancer research in Terry's name. It is a day of celebrating Terry's legacy and helping to keep alive his dream of finding a cure for cancer. On September 18th Rocanville will be hosting the Terry Fox Run. This run/walk/bike will take place at the Rocanville cross country ski trails starting at 2pm. Interested participants may

register online at www.terryfox.org or pick up

registration and pledge sheets at the rec office. 306 645 2164

Rocanville Minor Hockey

Minor Hockey Annual General Meeting - Tuesday, September 6/16 at 7:00pm at Skating Rink.

Any changes to the Rocanville Minor Hockey Constitution must be brought forward at the AGM. Resolutions are voted upon, and then the new constitution can be adopted for the upcoming season.

With several members of the minor hockey board stepping down this year, we are looking for new board members. This is your chance to influence how minor hockey is operated in our community!"

Minor Hockey Registration / Equipment Exchange: Thursday September 8, 2016 at 7:00 at the Skating Rink

Any payments or registrations that occur after this date, will be charged late fees. It is important that we have accurate numbers when trying to find teams for all the kids to play with. If anyone plans to try out for AA or AAA teams, you must indicate this on your registration to inform us that your registration with RMHA is pending the results of this tryout.

Bring any second hand equipment or skates that you would like to sell, tagged with your sale price so kids can try it on and take it home that night.

(This was supposed to be in August calendar) **Thank You!**
 We would like to give a big "Thank You" to our children and grandchildren - Derek, Tanya and Aidan; Leanne, Nicholous, Lochlan, Hudson and Michael for the wonderful surprise 40th Anniversary parties they gave us! Starting with the scenic Bear Creek pasture party on July 1st with family and friends, complete with a gorgeous 40th Anniversary cake made by Miranda, followed by impressive fireworks, a weekend of camping and more fire works on Sat., the lovely family supper on July 5th and another totally unexpected surprise party on July 8th at the church hall with more family and friends, another beautiful cake and cupcakes! It was just awesome! Thank you so much for all your love and care and hard work. Thank you for all the lovely flowers, photo collage, framed wedding picture and gifts. WE love you all so much!

Love,
 Mom and Dad; Grandma and Grandpa
 And thank you to our families and friends for coming and helping us celebrate and for the many well wishes, cards and gifts!
 Love, Marilyn and Bill Palmer

THE VALUE OF ADVICE

Just like an annual checkup with your doctor, a regular review with your advisor is important to your overall financial health.

In an effort to stay healthy, you make seeing your doctor a priority. Your doctor knows your medical history and, if there is a problem, can recommend a course of treatment. The same concept applies to your finances- regular checkups with an advisor can go a long way towards improving your financial health. Whether your goal is to reduce debt, buy a house, save for retirement or simply pay the bills, you don't have to go it alone.

Regardless of your stage of life or amount of wealth, you can benefit from the professional counsel and services of an advisor. In fact, 71 percent of advised households started working with an advisor when they had less than \$50,000 in investable assets. Milestones such as buying a first home, starting a new job or having a child are all good opportunities to address new financial needs and

begin working with an Advisor.

Start with a consultation. An Advisor starts by understanding your objectives and doing a thorough analysis of your complete financial situation. Next, he or she will work with you to put a strategy in place to help reach your goals. A comprehensive plan allows you to balance in place to help reach your goals for the future, easily adapt to changes in circumstance and plan ahead for emergencies, as well as helping you be in control of your financial well-being.

An advisor maybe able to help by doing some or all of the following:

- Creating a disciplined savings strategy including cash flow planning and debt management.
- Designing and implementing a customized investment strategy
- Proposing tax reduction strategies

-Facilitating will and estate planning

-Reviewing and recommending insurance products, including life, disability and critical illness.

-Providing access to a network of professional resources such as accounting and legal services.
